Optional Colonial 509 Window Design*

DURABLE CONSTRUCTION; RELIABLE OPERATION

- 1 25 gauge steel construction helps assure durability and security.
- 2 Patented Safe-T-Bracket® helps prevent serious injury that could occur if the bottom bracket were removed with the garage door closed and under tension.
- 3 Bottom weatherseal in a rust-proof aluminum retainer helps prevent elements from entering garage.
- 4 Tongue-and-groove joint helps seal out wind, rain and snow.
- 5 Galvanized steel hinges are durable, reliable and secure.

- 6 Top quality nylon rollers provide durability and quiet operation.
- 7 Inside/outside step plates and grip handles make doors easy and safe to operate.

Four spring options available:

Galvanized torsion, EZ-SET® torsion springs (galvanized), extension springs with containment cables, and EZ-SET® extension springs.

Doors range from 6' to 16' high and 6'0" to 18'0" wide. Consult your Clopay dealer for size options.

*Illustration for component location purposes only.
Actual product has pilot holes on end stiles.*

Galvanized Torsion Spring

Corrosion-resistant, galvanized torsion springs look better and last up to 50% longer than industry standard springs.

Due to some height and weight restrictions, not all product offerings include galvanized torsion spring.

Step Plate/Lift Handle

Color matched exterior step plate/grip handles are durable, attractive and allow for safe opening and closing of your door.

Rust-Prevention System

Steel skins are protected through a tough, layered coating system, including a hot-dipped galvanized layer, a protective metal oxide pretreatment, and a baked-on primer and top coat.

A FOCUS ON *green*

Clopay is committed to designing, manufacturing and distributing garage doors that enhance the beauty, safety and value of your home while minimizing the impact on the environment.

Steel doors and hardware are impervious to moisture and will not rot, warp, crack or fade, and the steel used in Clopay's doors is made from over 75% recycled content. All Clopay doors are made in the U.S., minimizing shipping, damage and handling.

Visit our website for more details on Clopay's green practices.

Windows

Inspired by current architectural trends, our windows add natural light to your garage while adding curb appeal to your home. All Clopay window frames are UV-protected and are color matched to our prefinished door colors. Window frames screw in from the inside for easy glass replacement or to change designs.

DECORATIVE WINDOWS

Available in short or long panel designs, Clopay's Designer Collection Windows are created to complement many home styles.
